Nashik, Maharashtra

Education

- K. K. Wagh Institute of Engineering Education and Research, Nashik, Maharashtra, India**
B.Tech Artificial Intelligence and Data Science | CGPA : 8.44
- K. K. Wagh Polytechnic, Nashik, India**
Diploma Computer Technology
Score : 87.37%
- Dr. Shalinitai borse school, Nashik**
10th SSC | Score : 87.60%

Skills

- Programming Languages:** Python, Javascript, Java, C++, PHP.
- Programming Frameworks:** Tailwind CSS, MERN stack.
- Database:** MongoDB, MySQL.
- Programming Tools and Technologies:** MS Office, Machine Learning, Flask, Git, PowerBI, Figma.
- Soft Skills:** Time Management, Task Prioritization, Problem Solving, Adaptability.

Position of Responsibility

- Design Team Member – Innov-era, KKWIEER (2025)**
Contributed to the design and branding of Innov-era events by creating graphics, banners, and visual content. Collaborated with the team.
- Creative Head – Phoenix Club, KKWIEER (2024–25)**
Led the creative activities of the club, including event planning, poster design, and content creation.

Extra Curricular

- Created and edited a festival greetings video featuring Olivia Products. (2024)
- Participated in group singing performances. (2018-20)

PRATIKSHA KHANDBAHALE

I am a student of Artificial Intelligence & Data Science, seeking to contribute to live projects where I can apply knowledge in JavaScript, HTML, CSS, PHP, Python, Java, and SQL. I have worked on both web and Windows applications, with a focus on clean code, unit testing, and SQL scripting. I bring a collaborative mindset, mentoring ability, and a commitment to quality, innovation, and continuous learning—ready to contribute effectively to your team and projects.

Internships

- Web Development Intern(Aug 2024 – Oct 2024) – FireFist, Nashik**
Worked on frontend development using React and Elementor. Designed responsive UI components and built interactive web pages, contributing to user-friendly interfaces and dynamic web experiences.
- Fullstack Development Intern(June 2022 – Aug 2022) – Golden Dream Software Solution**
Worked on building responsive websites using PHP, HTML, CSS, and JavaScript. Gained hands-on experience in UI design, MySQL database integration, debugging, and using Git & GitHub for version control.

Project

- Topic: OliviaChain(2025) | [Link](#)**
Developed a mobile app to streamline Olivia's supply chain, enabling parlours to place orders and track deliveries, distributors to manage inventory, and admins to access real-time analytics and sales insights.
Role: Flutter Developer
Tech Stack: Flutter, Java, SQLite, Android Studio
- Topic: Mindflow (2025) | [Link](#)**
Developed a platform with structured roadmaps, mental well-being tracking, and adaptive learning. Integrated chatbot support, gamified rewards, challenges, and public speaking tasks to enhance productivity. Leveraged behavioral analytics and gamification for personalized growth.
Role: Frontend and APIs Handling.
TechStack: Machine Learning, Flask, React.js, Gamification.
- Topic: Re-dact(2024) | [Link](#)**
A secure redaction tool leveraging NLP, machine learning, and Generative AI to redact or obfuscate sensitive data from multiple formats while ensuring privacy and compliance.
Role: Frontend Designer and Model Training
TechStack: Machine Learning, PyQt, React.js.

Achievement

- Top 5 – 2Day National Level Hackathon 2025 (KKWIEER).**
- Selected in Top 5 Teams – SIH 2024(IIT Kharagpur, West Bengal).**
- 1st Prize – Project-Based Learning 2024 Competition (KKWIEER).**
- Participated – National Hackathons 2024 (G.H. Rasoni and Pillai College).**
- Participated - 2days National Level Hackathon NASA 2024 (Sandip University).**

Courses & certification

- AWS Academy Cloud Foundation (2025):** Cloud Computing, AWS Services, EC2, Cloud Security.
- Data Analysis & Visualization – Udemy (2024):** Data Cleaning, Pandas, NumPy, Matplotlib, Seaborn.
- Certified Paper Presentation – Mahavir Polytechnic, Nashik (2023):** Research Writing, Presentation Skills, Public Speaking.
- C/C++ Certification – Internshala (2022):** C Programming, C++, Loops, Functions, OOP Concept.
